PRESENTS . . .

JANUS THE OWL

"Janus am I: Oldest of Potentates!
Forward I look and backward."
— Longfellow

The theme of the 1964 yearbook is symbolized by the two-headed owl which you see on the cover. This owl is our representative of Janus, the god of beginnings and endings, the guardian of the portals.

Just as Janus can look both ways, so can our owl, as he views our beginning years at Westminster High School, our present senior year, and our future accomplishments.

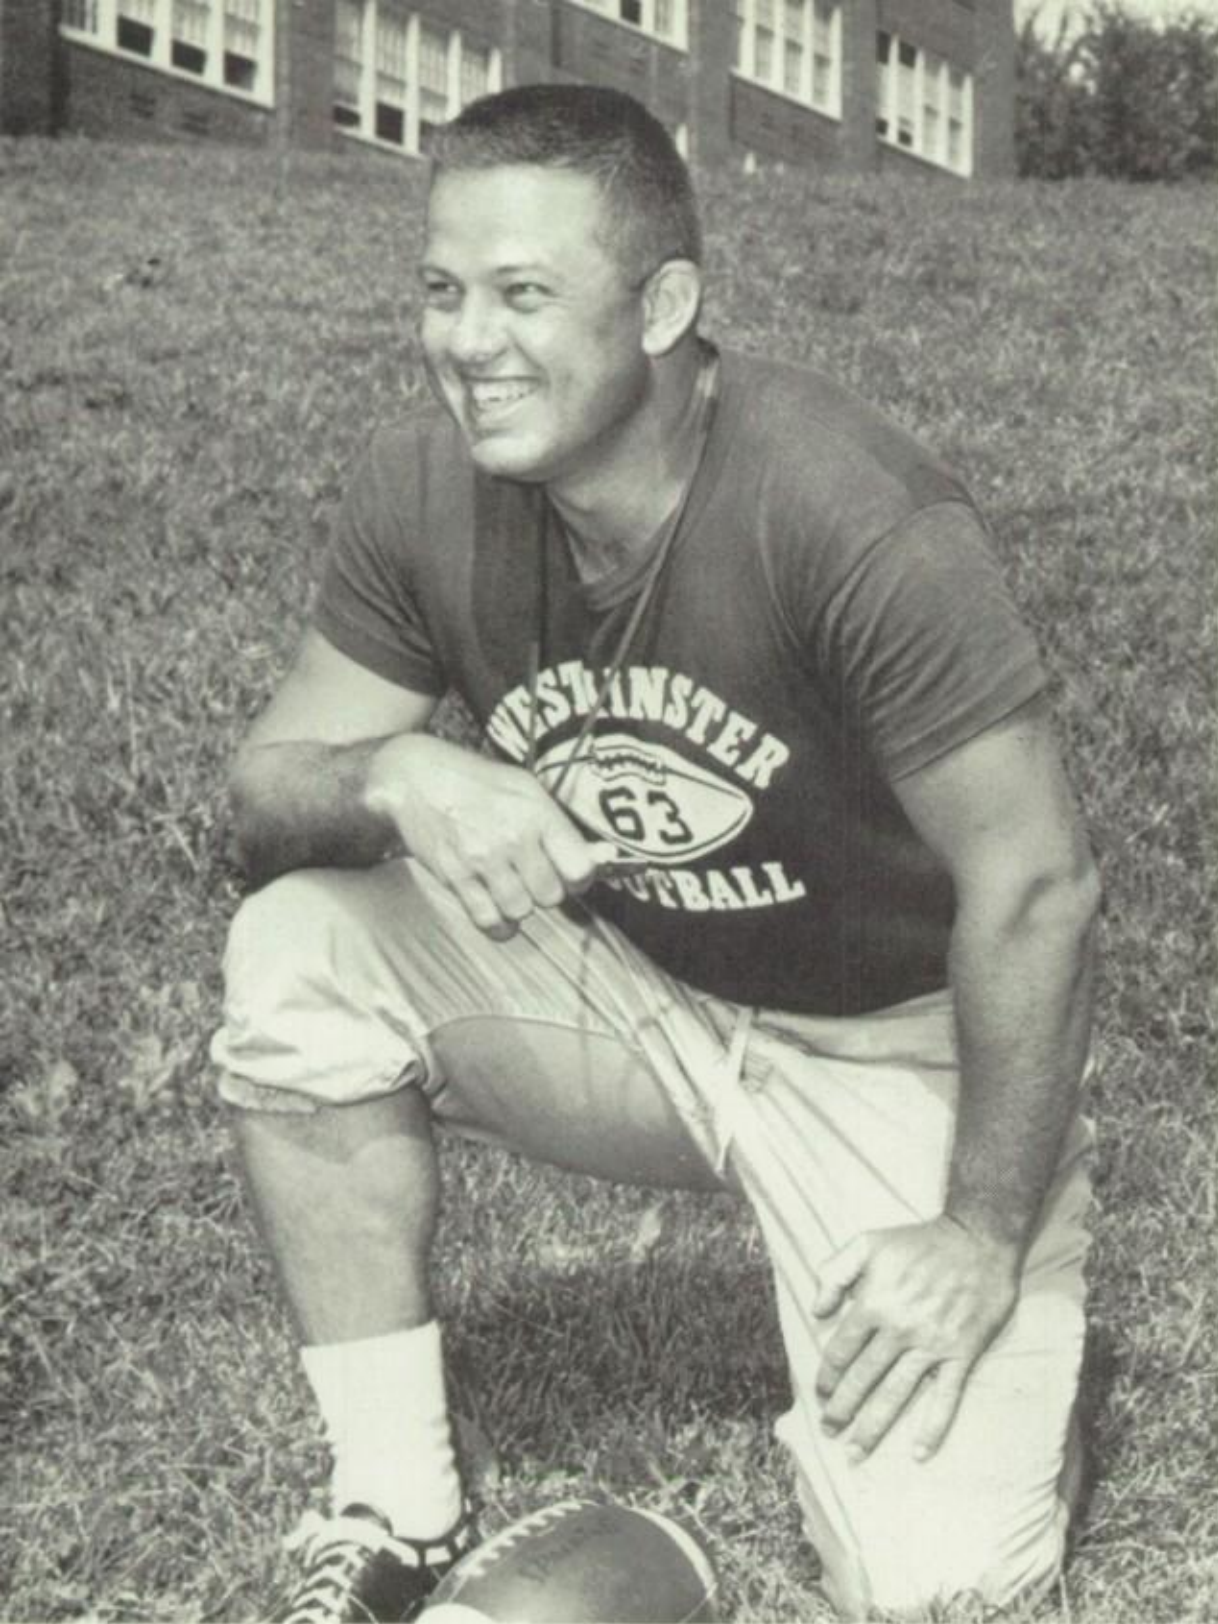

In keeping with this theme, the first sections of the 1964 OWL show remembrances of our first years at W.H.S.: our activities, our victorious athletic teams, our services to the school and to the community. The next section shows the present underclassmen, who hold the future of our school in their hands as they rise to leadership. Finally, with an eye toward the future, we see the graduating class, which has performed its leadership role with a sense of privilege and responsibility.

May our owl see hard work but happiness and fulfillment in the future for the members of the class of 1964.

MR. EARL HERSH

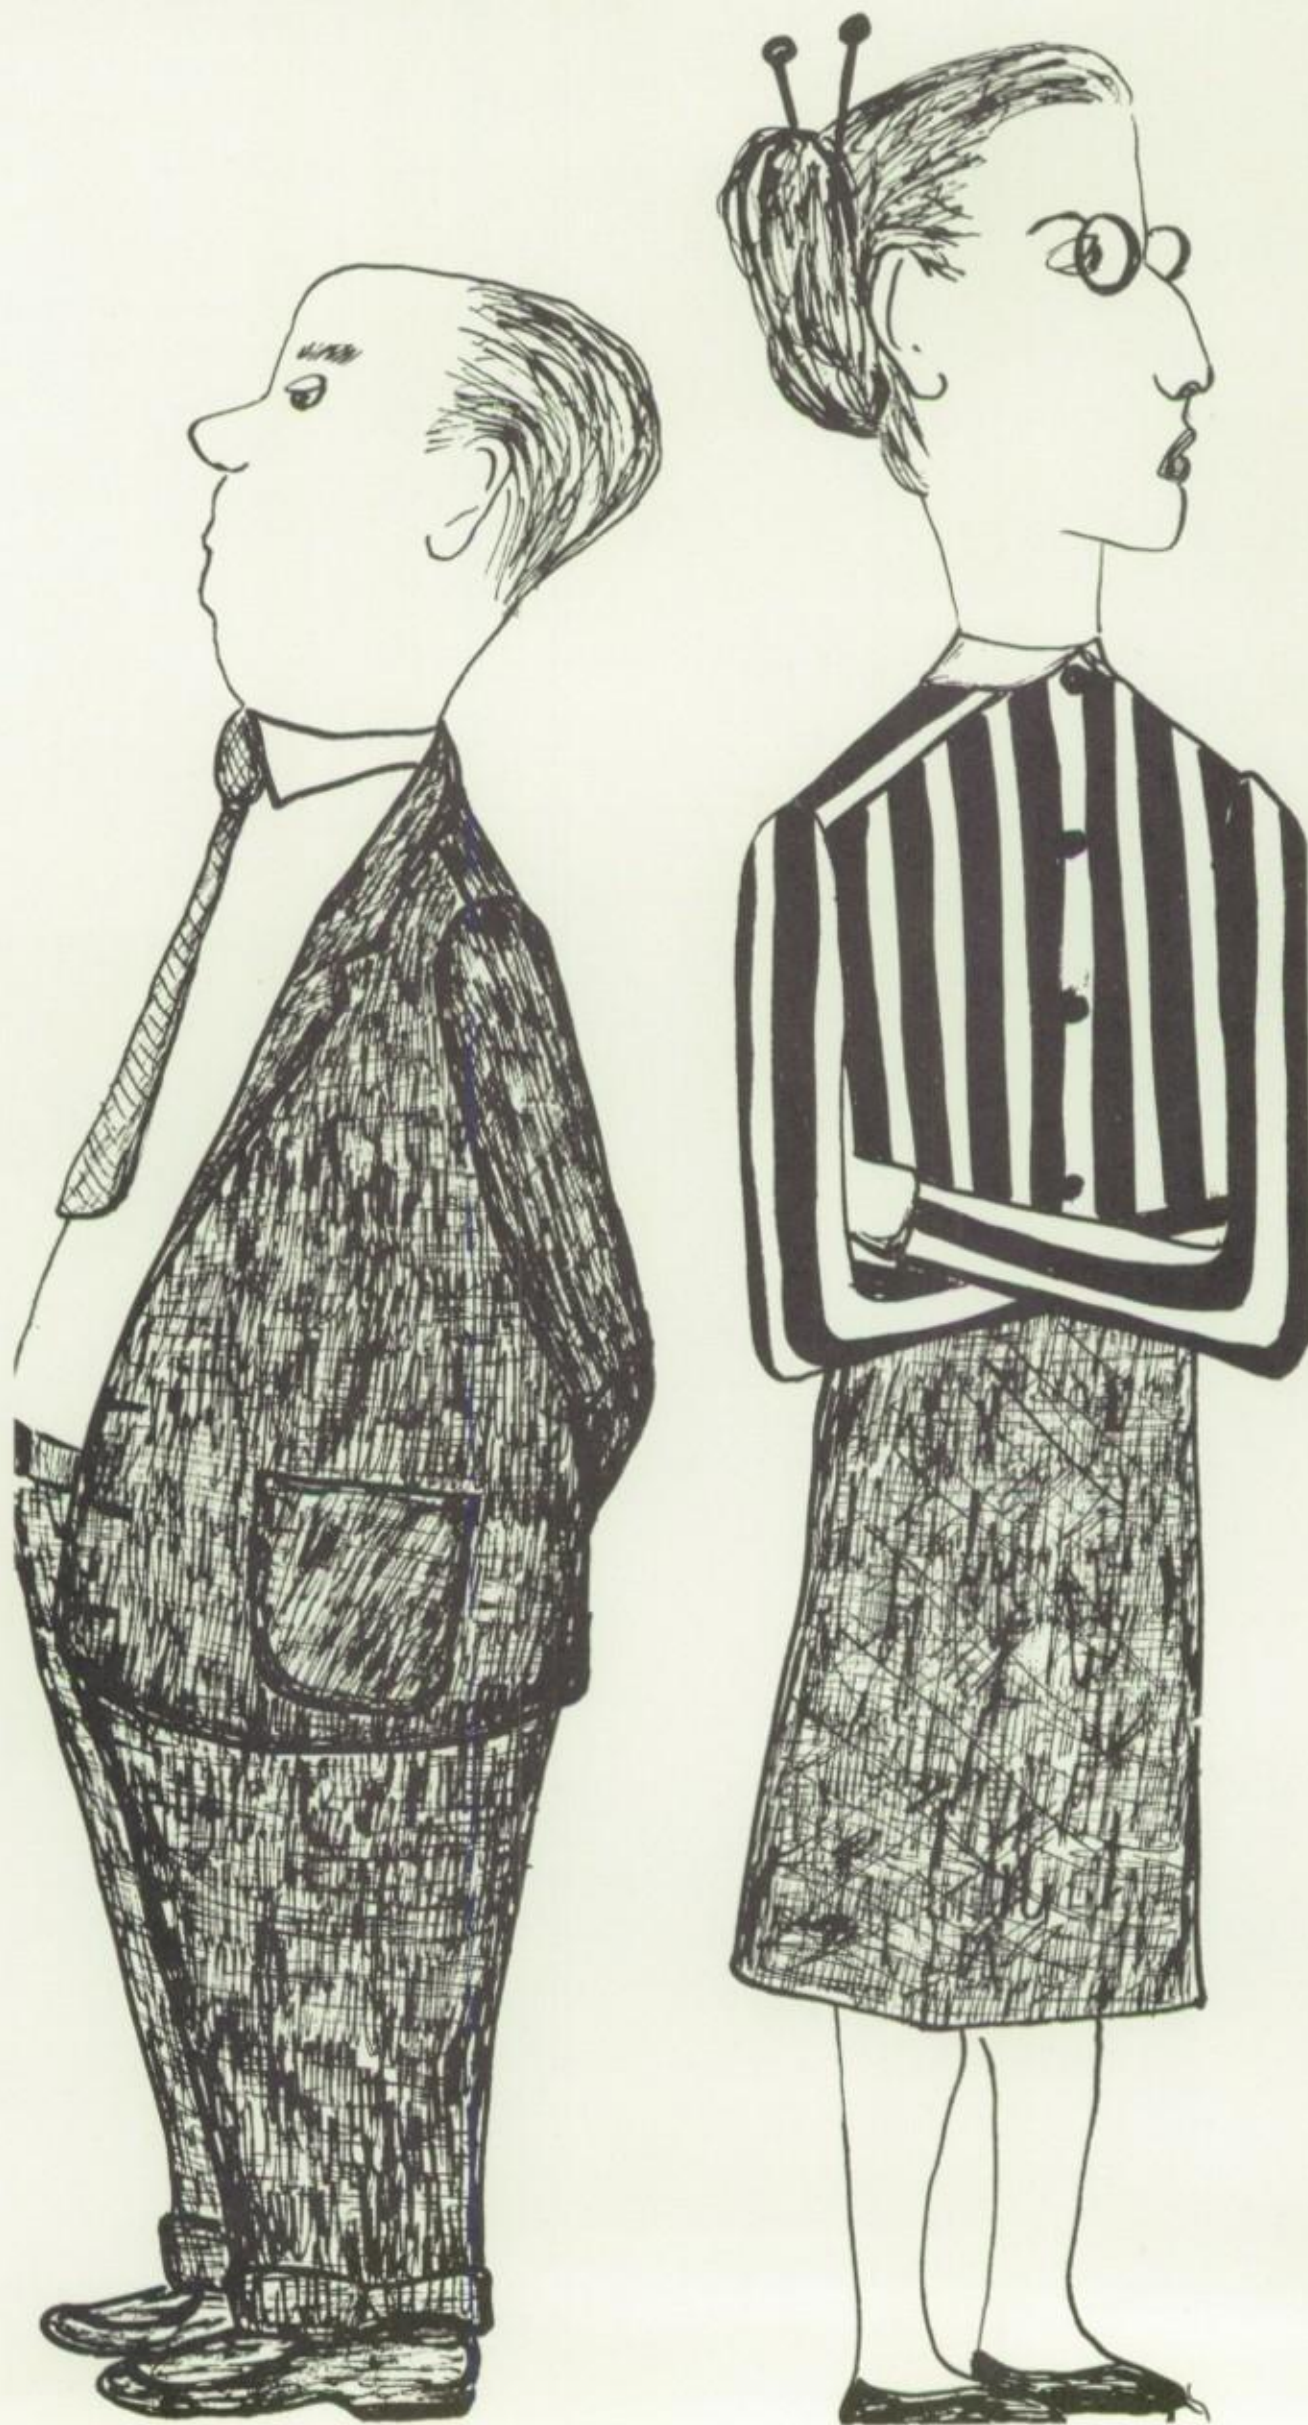

DEDICATION

In his first year as head Coach of the Westminster Sr. High School football team, Mr. Earl Hersh has led our Owls as they compiled a 9-0-1 record, the best in the history of W.H.S., and won an undisputed claim to the Tri-State Conference title.

A graduate of W.H.S., Mr. Hersh has contributed greatly to the rise of school spirit and enthusiasm within the student body of his Alma Mater. In addition to his duties during the football season, he has coached the track team and the wrestling squad, and assisted with the basketball team. The reorganized intramural programs, initiated by Mr. Hersh, led to the participation of a large proportion of the students in soccer, touch football, wrestling, basketball, track and baseball.

Therefore, we of the class of 1964 would like to dedicate our yearbook to Mr. Earl Hersh, teacher, friend, and leader, as a token of our thanks and appreciation for everything that he has done for us.

ADMINISTRATION

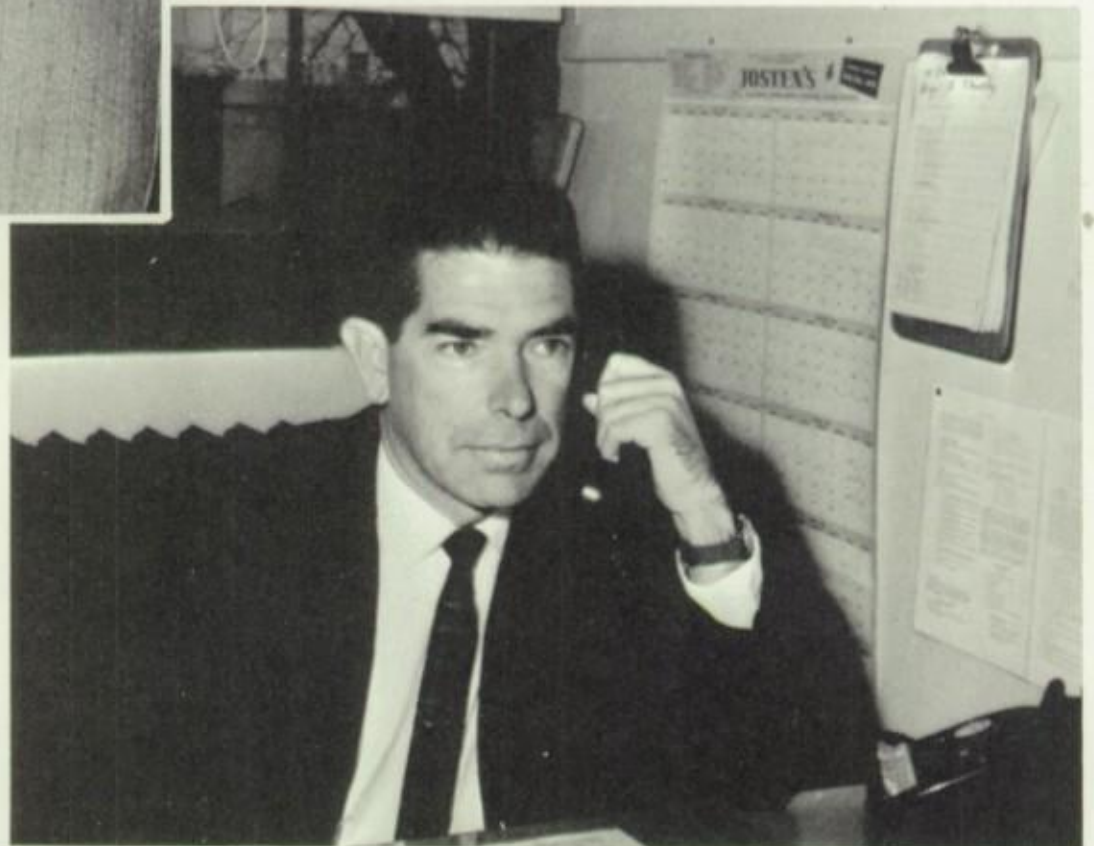

PRINCIPAL'S MESSAGE

The class of 1964 will have the distinction of being the largest class ever to graduate from Westminster Senior High School. While the number of graduates is significant, this is not the most important factor. I am sure we are all aware of the many complex problems which will face each graduate as he goes out into the world. How we take our place among our fellow men will be very important. Graduating from high school means a beginning of our assuming responsibilities, which will help to determine the future, not only of our community, but also of our country. We all have goals and ambitions which we hope to realize. Let us be proud to say, we graduated from Westminster High School.

BAZAAR

"Never shake thy gory locks at me."

With the support of students and parents, the annual PTA Fall Bazaar was again a success. For everyone's enjoyment there was a play entitled "Shiver My Timbers" presented by the Senior dramatics class. Entertainment by the Troubadors, a Game Room, a Tea Room, a Country Store and Refreshments.

"Catch it Wussl!"

"Did Mary Know?"

FOOTBALL FORMAL

Susi Stum, our Football Favorite.

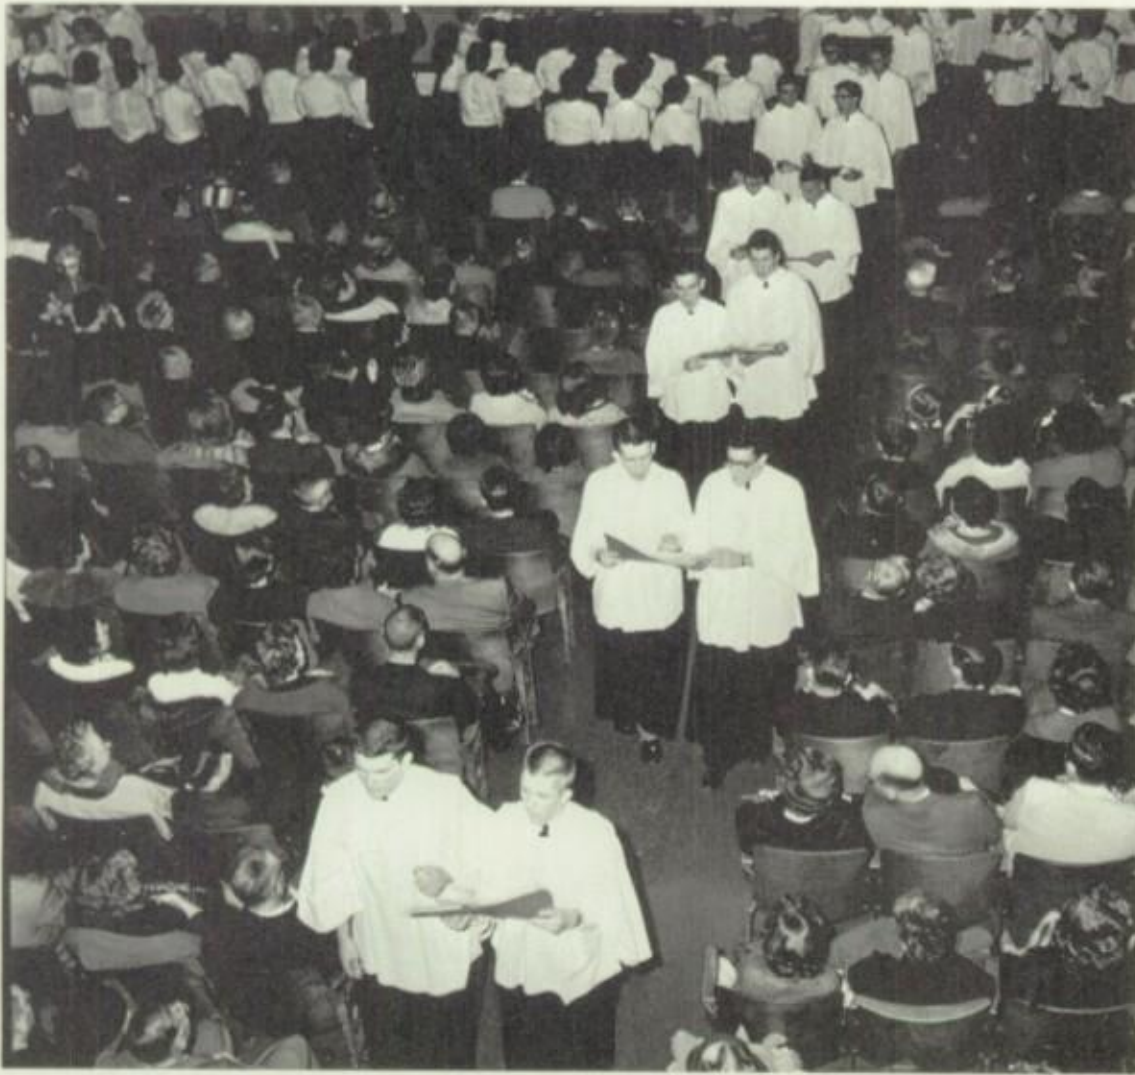

Susi is crowned by Mr. Hersh.

The annual football formal, sponsored by the Key Club, was another highlight of our triumphant football season. Susi Stum, the Football Favorite, was chosen by the football team, crowned by the head coach, and presented with flowers at the dance held at the Elementary School.

The victorious team is highlighted.

CHRISTMAS MUSIC

Singing the traditional "Joy to the World," the Senior Chorus recesses after completing an inspiring performance.

The 200 voices of the Sophomore and the Senior choruses were under the able direction of Mr. Herbert Sell. The annual Christmas concert was presented to the public on December 19, 1963.

One could see the many different people who passed by the home on the "Road to Bethlehem" in the Christmas play produced by the senior dramatics classes, with the assistance and direction of Mr. William G. Eaton.

The final scene, a beautiful tableau, depicted the humility of mankind at the birth of the Christ Child.

UNITED NATIONS IN WESTMINSTER

Hector Lamas, a student from Montevideo, Uruguay, is an American Field Service representative in Westminster. In only one year Hector has become a vital member of our school. We have greatly enjoyed his presence here and would like to wish him the best of luck in the future.

The Student Council conducted several campaigns in order to raise the necessary funds for the establishment of an A.F.S. Chapter, included among these was the annual candy campaign. It is hoped that a student from Westminster will have the opportunity to participate in a similar exchange in the near future.

Hiroko Matsumoto, a Japanese exchange student, has been living in our community and studying at WHS. At the same time one of our seniors, Paul Thompson, is having a similar experience in Breckerfield, Germany. This exchange has been made possible through the International Christian Youth Exchange Program. Through this program our school has been able to participate in a unique experience. We are happy to have known these two young people.

The Student Council is the group which represents the entire student body. The Council's main purpose is to provide a place where school policies can be discussed. Among the services provided by the Council are the publication of the student handbook, and the student orientation program each year. An important project

has been the candy campaign, which helps finance an exchange student through the American Field Service Program. Hector Lamas, of Uruguay, was our exchange student this year. In the near future we hope to send one of our students abroad through this program.

The National Honor Society is an honorary organization composed of Seniors, Juniors, and Sophomores. The purpose of the N.H.S. is to provide standards of scholarship, leadership, character, and service for the rest of the school through the examples set by the club members. Although it is not a service club, it does carry out various projects during the year. This year it set up

a system of tutoring for any student desiring help in a particular field of study. N.H.S. also maintained a booth at the Bazaar and at the Sports Carnival, both of which were very successful. The most important project of the club was the induction assembly at the end of the year, during which students, who the teachers felt best fulfilled the Club's purposes, were inducted into N.H.S.

This year the Key Club of Westminster Senior High maintained its service ideal by running the concession stand at home football games, by taking care of the boys' health room, and by sponsoring the Football Formal. In order to continue its sponsorship, through the Save the Children Federation, of Nicholas Kamitsis, a

Greek boy, members of the Club performed in the Key Klub Kapers. Participation on an inter-club level comes with the annual Regional Convention, where the club has had notable success in the various contests. Once a month the Key Club boys attended a Westminster church in a group.

FUTURE

TEACHERS

The Future Teachers of America is an organization which provides a program geared toward orienting students for teaching. This year the seventy-two members of the club carried on a number of worthwhile projects. They sponsored a very successful Hootenanny for the public, a booth at the G.A.B. Sports Carnival, and the annual Backwards dance: They were of service to the

school by being guides to the parents during American Education Week and by helping teachers with routine tasks. They made a substantial contribution to the Carroll County Scholarship Fund. As a symbol of their growing F.T.A. a lovely planter was placed in the principal's office.

The Future Homemakers of America is a club composed of twenty-six tenth, eleventh, and twelfth grade girls who are interested in all phases of home economics. The main objectives of the club are to emphasize the importance of worthy home membership, to encourage democracy for all, and to further interest in home economics. Various money raising activities were carried on this year in order to obtain money for the Club's projects which included: a Christmas tea for the teachers, a

Christmas program presented to the people of The Carroll County Old Folks Home, and an Easter project. Several members of the Club journeyed to various parts of Maryland attending state and regional meetings where Sharon Royer, President of the Club, presided as Maryland's State Reporter. Through the guidance of their sponsor, Mrs. Shirley Mussari, the Future Homemakers of America had a very successful school year.

Juniors and Seniors enrolled in the commercial course are eligible to belong to F.B.L.A. The main objective of the club is to acquaint its members with various aspects of business life and to develop self-confident, aggressive leaders. Senior members learn office methods and gain valuable experience by assisting Mrs. Stephan and Mr. Mather in their offices. Business trips are scheduled to give the members an oppor-

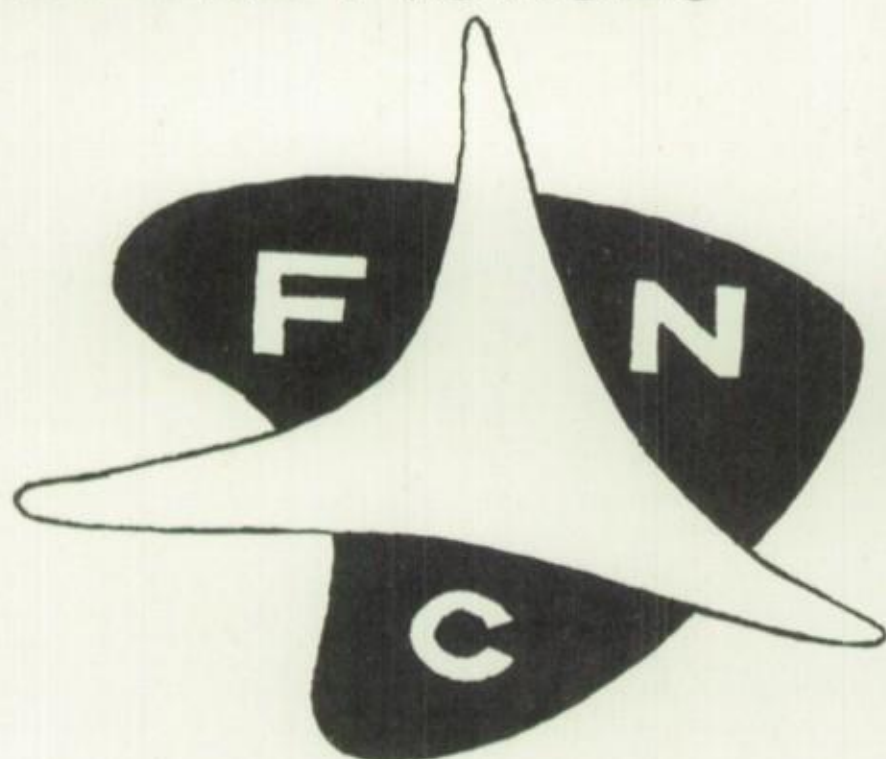

tunity to see business knowledge at work. Each spring the club sends delegates, as well as a Mr. and Miss F.B.L.A., to the State Convention held at the University of Maryland. Committees within the Club are set up to prepare baskets for needy families at Thanksgiving and Christmas and to provide the Christmas tree annually placed in the cafeteria.

The W.H.S. Future Nurses Club has been in existence for thirteen years. The objectives of the Club are to acquaint the members with the requirements for nursing schools and to provide members opportunities for service projects. The Club annually sponsors the King and Queen of Sports. They took care of the girls' health room, gave Christmas gifts to children at Rose-

wood, and made tray favors for local nursing homes and Henryton Hospital. A much appreciated service has been the volunteer work at the Carroll County General Hospital for which the Club received the state organization's award for outstanding service in the community.

The V.M.S.C. is an organization consisting of the eleventh and twelfth grade students who are in the machine shop classes. Its objectives are keeping up with present trends in the technical field, development of good relationship with industry, and improvement of the shop. Each year the machine shop group makes a large brass cross which is presented to a church or

religious organization. This year it was made by J. Rill and R. Immler and presented before the Christmas holidays. Members of the Club participated actively in the annual Steam Shows by demonstrating and exhibiting approximately thirty-five different steam engine models which they designed.

This year the Cercle Française, an active group at W.H.S. was led by its president, Judy Miller, and its sponsor Mrs. Reifsnider, in performing many useful services for the school and community. At Christmas time many people in Westminster heard members of the Club caroling in French. In the Spring, at the Club's

annual assembly, the students were entertained by a French play and several songs sung in French. Members of the Club visited the Rive Gauche, a French Restaurant in Washington, D.C., where they enjoyed delicious French food and a really French atmosphere.

This year's Junior Varsity football squad was hampered throughout the season by inexperience, since none of the boys had been able to play football in the 9th grade. However, the J.V. Owls began the season with impressive victories over Frederick and Martinsburg. Later in the season, injuries to key personnel severely handicapped the team. With 18 Seniors on the Varsity graduating, some J.V.'s are going to be counted on to fill their shoes.

Coach — Mr. Robertson

This year the varsity hockey team won all their county games, entitling them to the Carroll County Championship. Winning the opening game with North Carroll, their greatest rival, gave the team the spirit to go through the season ending with a 7-1-0 record.

High scorer for the season was Janet Simpson with eleven goals. The success of the hockey team does not belong to one girl, but to eleven girls who functioned as a team.

Much of the team's success can be attributed to their coach, Mrs. Sellman, who gave her all for the team.

This year Westminister fielded its first interscholastic wrestling team. Under the direction of Mr. Hersh, the squad participated in 9 regular meets plus the annual Carroll County Wrestling Tournament at the end of the season. Approximately 30 boys practiced diligently during the season. Before each match eliminations were held within each of the 12 different weight classes to determine who would represent the school at that particular match. With only 9 Seniors on the squad who graduated, the prospects of another good wrestling season for WHS next year seem very bright.

ALMA MATER

To thee, Westminster High School dear,
 Our Alma Mater true,
 With many a cherished memory
 Our thoughts will stay with you;
 And oft our kindled hearts will blaze
 For knowledge, truth, and right;
 In proud allegiance here we praise
 Thy true blue and pure white.

With virtue, honor, love supreme
 We raise our grateful song,
 Creator of our youthful dreams
 And of our purpose strong;
 Thy guiding hand will lead us then,
 Thy high ideals prevail;
 These halls will ring as now we sing —
 Westminster, hail all hail!

1964 CLASS SONG

Words by Marilyn Niner

Tune: HARBOR LIGHTS

Farewell Westminster High
 The Class of '64 is parting.
 Goodbye to happy days
 We never will forget.
 Whene'er we sing this song
 These memories come into view,
 To thee Westminster High
 We bid a fond adieu.

You gave to us the truth and
 knowledge that we need,
 The want of all mankind the
 power to succeed.
 We'd like to stay with you
 And share these happy times forever,
 But now the world does call
 Goodbye, farewell to thee.

in memoriam —

"And so, my fellow Americans,
ask not what your country
can do for you; ask what
you can do for your country."

— John Fitzgerald Kennedy

CLASS NIGHT

The annual Class Night program of Westminster Senior High School was presented June 2, at 8:00 p.m. The main feature of the evening was the "Living Yearbook", through which walked the graduating boys and girls of WHS. The 185 seniors were presented to the audience by our hosts, Terry Mobley and Bob Yingling, and Hostesses: Jo Ann Valianti and Susie Yingling. The audience learned something about the personalities, ambitions and romantic interests of each of the graduates. Judi Andalora, Sharon Royer, and Jane Uhrig made up the theme trio which opened the program.

The senior dramatics class presented "The Way Out Cinderella". The scene is Microvania, the real birthplace of the waltz. Ella (Jane Uhrig), a timid young girl, obsessed with cleanliness is changed into a hipster by her fairy godmother (Bonnie Slorp). The young prince (Loyal Gassman) recently returned from the U. S., soon has Microvania in a uproar with his swinging music. Of course between these two it is love at first sight; and in the end this swinging duet wins out. The play closes with the Microvanians swinging to some music by the way out visitors, Russell Douglas, Jim Drilev, Roger Himler, Lee Maus, and Terry Mobley. The other members of the cast (Susie Stum, Ann Bailer, Joan Bowers, Rodney Helwig, David Smith, and Sam Greenholtz) join in the singing of "The Party's Over".

The attendants were Robbie Hemp, John Peck, Arthur Riley, and Jeff Scott. Jody Cock was the 1964 book worm. Mr. Eaton was the main power behind this program. He spent many long hours organizing and directing.

The students sang their class song, Aloha, and closed the program with the Alma Mater.

CASTLES IN THE SAND

On the night of April 24th, our school was transformed into a castle in the sand and became the scene of the sophomore party. As 8:30 arrived, the sophomores and their dates crossed the sea-battered draw-bridge to be met by sea horses, fish, star fish, and sea weed. Strains of music from the Tetrons flowed through the gym.

For intermission entertainment, The Mermaid Trio, composed of Shelly Armacost, Jane Flickinger, and Shirley Myers, sang "I Feel Pretty" and "Hey Listen Sister". The MTR Singers, Freddie Magsamen, Mike Tanner, and Herb Ruby spouted forth "Santiano", "Michael", "I'm On My Way", and "Slow Song About a Fast Freight". Next, Hector Lamas played Schumann's Capricci. Last, but certainly not least, Rodney Helwig gave a Bob Newhart monologue on defusing a bomb.

Even thirty came all too soon and the couples drifted homeward.

For many years, we, the class of '66 will remember our first party, and we would like to thank again Mr. Barnes for his encouragement and help.—J. C.

ENCHANTED EVENING

Once upon an April 10, the Junior class danced in an Enchanted Forest created by the able decoration committee headed by Peggy Hutchinson, working with Mr. Schwarz, Junior class faculty advisor.

Entering the school one checked their wraps at a small cluster of trees with mushrooms growing beneath. As one arrived at the forest, one tripped down a stone path weaving among the foliage to the mushroom flanked entranceway. Jan Clark's committee provided this apropos setting. There one entered into a huge ballroom cut out of the forest. At one end was an old mill from which the Hi-Tones entertained the dancers with their captivating music. Tina Wooden was chairman of the music committee. All about the band were many charming, flowering trees of all descriptions centered about a fountain which was lighted by a multi-colored revolving lamp. Around many of the trees were twined vines of ivy. Sharon Sanders with her committee worked on the many trees that were found all about the floor, but soon found that, "only God can make a tree".

On the tables were huge purple orchids with a spangled butterfly hovering nearby to gather some sweet nectar as a remembrance of the evening spent in an enchanted forest.

As always the highlight of any prom is the refreshment table. Here one could gather together enchanted punch, stardust cookies, bewitching peanuts and forest green mints. Kathy Myers was in charge of seeing that everyone was well fed.

The backdrop for the prom pictures was a lovely deep forest green with a gold tree and leaves, and lettered in gold. Pat Petry and her active committee supplied this picturesque and important item.

As a remembrance of the evening, Jeff Sprinkle and Norma Gregory made programs of green and gold with a cover designed by Pam Freeman.

Nothing now is left but an Enchanted Memory.—J. M. R.

LOOKING BACK

June 5 is a day to reminiscence, of joy, tears and fond memories. It marks the end of our Senior year and the beginning of a search for our individual places in the world. We may miss the security of high school days and the many friendships which we have cultivated but there are new horizons which we must meet and adventures ahead. Although the class of '64 leaves Westminster Senior High we will never forget the high lights of our Senior year.

The class officers contributed greatly to its success and should be remembered for their fine organization and leadership.

The class of '64 is proud to have received our first Student Council Exchange Student, Hector Lamas. Hector has contributed much to our class and we shall never forget him.

We were also honored to welcome Hiroko Matsumoto a very vital member of our school.

Was anyone surprised when our OWLS came out on top with the "Tri State Championship". What an exciting game, and it was a particularly joyous occasion when Mr. Hersh crowned our "Football Favorite", Susie Stum.

The Hockey Girls made an especially good showing when they captured the title of "Carroll County Champs".

Our winter Social life was highlighted by the reign of Queen Judy Keeney and her Senior Attendants, Jane Uhrig and Linda Sue Graf at the Queen of Hearts Assembly and Dance. The Senior Class was very proud of their lovely representatives and the event was a huge success.

Our Christmas Program with carols by the chorus and Sophomore choir featured the "Road to Bethlehem". Few of us will ever forget the final scene, a beautiful tableau.

The night we spent in "South Pacific" was the most memorable of the year. Each of us will treasure our souvenirs whether it be a palm tree or a flower.

Our final thanks go out to the Yearbook Staff who captured our cherished memories of a wonderful year at W. H. S.

SOUTH PACIFIC VISITED

The evening of May 8th with its warm, tropical weather found the Seniors and their guests on their way to a South Pacific island. A native girl standing near a gleaming treasure chest under palm trees greeted the Seniors upon their arrival. After girls dressed in mu-mus checked their wraps, the visitors made their way to a grass hut, gaily decorated with huge masks. Walking through the hut, they gazed upon their island paradise. A moon was rising over Honolulu Bay, its brilliance reflecting on the calm waters. Tall, gracefully swaying palm trees were silhouetted against the horizon. Growing in abundance were clusters of colorful hibiscus in front of which stood gay tables. Flames flickering in goblets and miniature straw hats decorated the tables. Native carvings watched over the refreshment table from which

Hawaiian punch and cookies were served. Music flowed from beneath a thatched ramada adorned with native masks. Hanging overhead in the center of the island, beautiful flowered lanterns completed the tropical atmosphere.

The guests danced in the tropical heat to the fine music of the Kingsmen. During the evening, couples had their pictures taken standing on the shore under a curved palm tree. At approximately eleven o'clock, a hurricane struck the island in the form of souvenir-seekers. Tropical flowers, masks, and palm trees were carted off by the Seniors leaving the paradise in destruction, but providing the members of the class of '64 with many mementos of their spectacular prom.

The creation of the South Pacific wonderland was headed by Joyce Morningstar and her

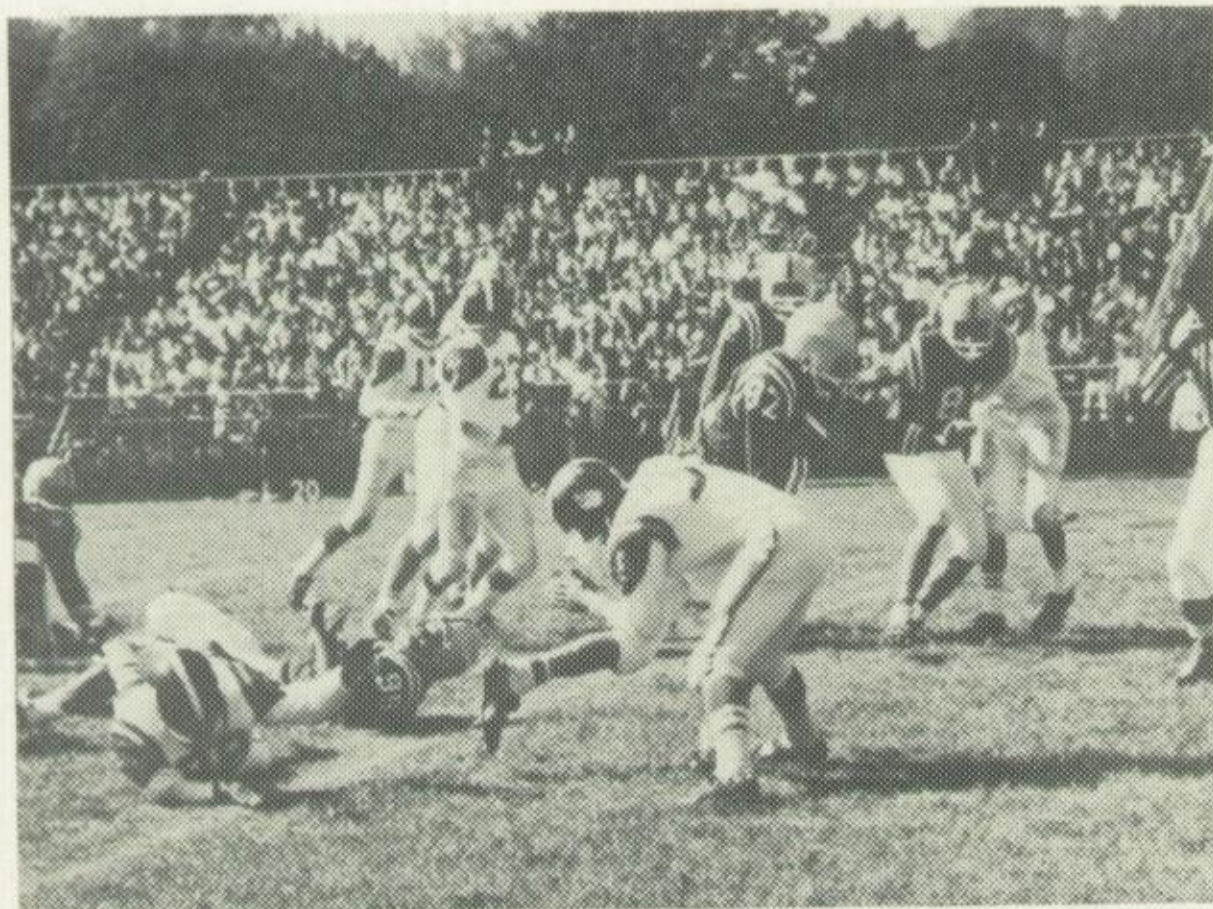

A Moment To Remember --
Leaving Farewell Assembly

two assistants, Margaret Smith and Becky Van Gasen. Aiding this talented threesome were committees headed by Mary Ann Turnbaugh, Julia Beaver, John eigler, Joan Angell and Kathleen Koontz. Lee Maus, Sam Zigler, and Gary Hammett were the able electricians. Carol Campbell headed the refreshment committee, Sheryl Rohrer obtained the music, Doug Ruby was in charge of the programs, and Eva Leppo was responsible for the invitations. Heading the Ways and Means committee was Les Carlson. The general chairmen for the prom were Diane Hare and John Willis. Thanks go out also to Mrs. Briscoe who supervised the decorating and to all the chaperones who attended the affair.

After the prom, the South Pacific islanders journeyed to the Ag Center where the terrific Kardells were pounding out a wild beat. At 3:30 A.M. the Seniors went their separate ways—some to breakfast at Sharkey's, some to the golf-course and some even went home. The evening with its beautiful weather and gay prom atmosphere was certainly a night to remember.

The Owls played next the South Hagerstown Rebels, in a hard played game to the final second with the score 20-20.

The Owls' next victory came at the expense of Belair by the score of 14-7.
